Geneva Digital Health Day 2025

Thursday 22 May 2025 - Thursday 22 May 2025

Campus Biotech

Scientific Programme

Several thematics as listed below are proposed. Contributors are encouraged to submit in one or more of these areas.

Geneva Digital Health Day Tracks

Exemplars in Global Digital Health

In collaboration with the Center for Global Digital Health Innovation at the Johns Hopkins Bloomberg School of Public Health and Exemplars in Global Health Program, this track receives submissions from digital health programs that have seen significant success in scaling nationally. Submissions should include details of the programs, the current scale, and a summary of critical learnings of the drivers of success.
